Privacy

Our Web server automatically records the IP (Internet Protocol) "address" of the browser used by the visitor, but that address simply identifies the browser used, and does not permit identification of the individual using the browser. The Web server also receives information from the visitor's browser such as software manufacturer, browser version and operating system environment.

We collect the e-mail addresses of those who communicate with us via e-mail, aggregate information on what pages consumers access or visit, information volunteered by the consumer, such as survey information and/or site registrations.

The information we collect is used to improve the content of our Web page, used to customize the content and/or layout of our page for each individual visitor, shared with other reputable organizations to help them contact consumers for marketing purposes, and used by us to contact consumers for marketing purposes.

Cookies

With respect to cookies: Cookies are alphanumeric identifiers that enable the systems used by the website operator who places the cookie to recognize the visitor's browser. We use cookies to store visitors preferences, record session information, such as items that consumers add to their shopping cart.
